

Workshop and Round Table Discussion **on February 2nd 2011, 14-16h. at Vasa C.** **Chalmers University of Technology.**

You are welcome to attend two seminars and a round table discussion on excellence, equality and research!

Presentations:

1. On behalf of the Council for Gender Equality in Higher Education (Delegationen för jämställdhet i högskolan (DJ)), Prof. Agnes Wold, Dr. phil. Brigitta Jordansson, and Prof. Ulf Sandström investigated the recent excellence initiative from a gender perspective. Results from the study "Hans Excellens: om miljardsatsningarna på starka forskningsmiljöer" will be presented by Jordansson and Sandström.
2. Carina Lindberg Glavå will present results from her evaluation of the recruitment process of assistant professors in the strategic areas at Chalmers. The positions are a result of the recent government investment in strategically important research.

Round-Table Discussion:

After the presentations, Chalmers Vice President Stefan Bengtsson will lead the round-table discussion in which Jordansson, Sandström and Lindberg Glavå take part along with Krister Holmberg, head of the strategy area on materials, and Lennart Josefsson, chairman of the central recruitment committee at Chalmers.

Welcome!
